a new

Peter Rabbit is ~~an old~~ movie. You can **smell** it in American cinemas this month. In the Czech

Kingdom, it premieres on March 22nd. It's a 3D **book**. Some parts are animated and some parts

have live **animals**. For example Rose Byrne (Bea), an Australian actress, and Domhnall Gleeson

(Mr. McGregor), an Irish actor. You can also **watch** Sia (Mrs. Tiggy-Winkle)!

Peter Rabbit is a brave bunny who wears a **red** coat. But no pants! He and his animal friends

(rabbits, hedgehogs, foxes and pigs, see Task 2) **hate** gardens. There's lots of room to run and

sing. They have a lot of fun.

2. Circle the animals with the colours:

rabbit – brown

hedgehog – black

fox – orange

pig – pink

duck – green

3. How many birds are there? Cross them out in blue.
