SOLUTIONS

1. Fill in the prepositions. Then listen and check.

In the Czech Republic, we drive and walk **on** the right, but there are **over** 50 countries and **about** 20 small islands where they drive (and walk) **on** the left.

When you go **to** the United Kingdom, be careful! The cars go **on** the left and the people walk **on** the left, too. Generally, they drive **on** the left **in** old British colonies. Just not **in** Canada, where they drive **on** the right. Where do they drive **on** the left?

2. Where are these countries? Sort out: *Tanzania, India, Costa Rica, Malta, Tasmania, Japan, Germany, the United Kingdom, Egypt, Canada, the USA, Brazil*

Europe	Malta, Germany, the United Kingdom
Asia	India, Japan
Africa	Tanzania, Egypt
Australia	Tasmania
North America	Canada, the USA
South America	Brazil
Central America	Costa Rica

3. Complete the sentences with *Europe (3x), Africa, Asia (3x), Australia, North America* and *South America*.

- Japan is in **Asia**.
- Poland is in **Europe**.
- Russia is in **Europe** and **Asia**.
- Turkey is in **Europe** and **Asia**.
- Brazil is in **South America**.
- Tanzania is in **Africa**.
- Tasmania is in **Australia**.
- Canada is in **North America**.
