SOLUTIONS

1. Listen to part of the text about what you can do in Minecraft. Fill in the verbs after “can”.

There are three basic worlds in Minecraft. Players can **make** portals to travel between them. You can **explore** the worlds and build lots of different buildings with blocks. Players mine ore to make more blocks and tools. There are two characters you can **choose** to be. You can **be** Steve (a man) or Alex (a woman). You can **play** alone, or online with more people. Minecraft characters are also hungry and must eat – there is fruit and vegetables, and meat. You can **fight** with dangerous enemies, for example zombies or skeletons. In the final world – The End – there is a dragon. If you kill it, you win the game.

2. Match the category with the examples.

- | | | |
|---------------|---|---------------------------------|
| 1. enemies | → | a. Steve, Alex |
| 2. food | → | b. fruit, vegetables, meat |
| 3. characters | → | c. books, Lego |
| 4. products | → | d. zombies, skeletons, a dragon |

3. Read or listen to the interview with Vojta again and correct the following false statements.

- | | |
|--|---|
| a. Minecraft isn't creative. | is |
| b. You can't build what you want. | can |
| c. Vojta says it is difficult to learn to play Minecraft. | easy |
| d. Vojta knows lots of girls who play Minecraft. | doesn't know any girls |
| e. Vojta always plays Minecraft alone . | sometimes plays Minecraft with friends or schoolmates |

5. Fill in *to* or *too*.

You can buy Minecraft books and Minecraft Lego, **too**. Some people are **too** lazy even **to** play computer games. They watch YouTubers play Minecraft and comment on their games! Do you want **to** meet other Minecraft fans and speak English? Go **to** a big Minecraft festival!
