j. We _____ the old towns of Lindos and Rhodos.

4. Level A2: Retell what they did on Rhodes.

Example: **They flew from Prague to Rhodes.**

SOLUTIONS

1. Listen and fill in the gaps.

Rhodes is a **Greek** island near Turkey. There is a beautiful, long sandy **beach** with no hotels or houses. It is a protected area because sea **turtles** lay eggs there. But the sea brings **tons** of plastic onto the beach. The turtles get caught by plastic bags or **eat** them because they **look** and smell like jelly fish. Also, the baby turtles need to get to the sea **quickly**. But they can't! There's lots of plastic on the way.

2. Answer the questions:

- Where is Rhodes? (It's an island) near Turkey.
- Why is the area protected? (It's protected because) sea turtles lay eggs there.
- Why is plastic dangerous for turtles? The turtles get caught by plastic bags or eat them. Also, baby turtles can't get to the sea.

3. Fill in the missing verbs: *fly, swim, pick up (2x), learn, take, have, walk, visit, plant*.

- We **fly** from Prague to Rhodes.
- People from Rhodescape **pick us up** at the airport.
- They **take** us to the lake.
- We **have** an English lesson.
- We **learn** about turtles.
- We **pick up** plastic on the beach.
- We **swim** in the sea.
- We **walk** around the lake.
- We **plant** trees.
- On the last day, we **visit** the old towns of Lindos and Rhodes.

4. Level A2: Retell what they did on Rhodes.

Example: They flew from Prague to Rhodes. People from Rhodescape picked them up at the airport. They took them to the lake. The *Jump* people had an English lesson. They learned about turtles. Then they picked up plastic on the beach. They also swam in the sea, walked around the lake and planted trees. On the last day, they visited the old towns of Lindos and Rhodes.
