## 2. Read (or listen to) the Magic Space and fill in the missing numbers.

- Laika lived in space only \_\_\_\_\_ days.
- Yuri Gagarin flew around the Earth. It took him \_\_\_\_\_ hours.
- Valentina Tereshkova spent \_\_\_\_\_ days alone in space.
- Denis Tito paid \_\_\_\_\_ million dollars for his trip.
- A \_\_\_\_\_ people are training to live on Mars.

## 3. Answer the questions. Full sentences, please!

### a. How much time did they spend in space?

Laika \_\_\_\_\_ .

Valentina Tereshkova \_\_\_\_\_ .

Denis Tito \_\_\_\_\_ .

### b. How much did Denis Tito pay for his space trip?

He \_\_\_\_\_ .

### c. How much time did it take Yuri Gagarin to fly around the earth?

It \_\_\_\_\_ .

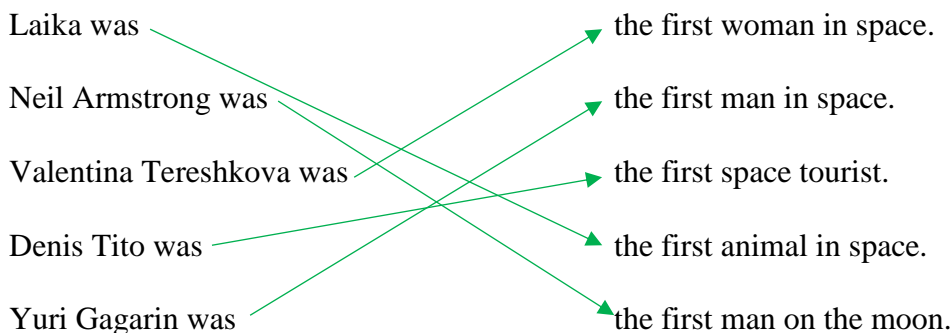

## 4. Write about your holiday last summer. Use *went (or flew), took, spent*

---

---

## SOLUTIONS

### 1. Who were they? Match.

### 2. Read (or listen to) the Magic Space and fill in the missing numbers.

- Laika lived in space only **seven** days.
- Yuri Gagarin flew around the Earth. It took **him** two hours.
- Valentina Tereshkova spent **three** days alone in space.
- Denis Tito paid **twenty** million dollars for his trip.
- A **hundred** people are training to live on Mars.

### 3. Answer the questions. Full sentences, please!

#### a. How much time did they spend in space?

Laika **spent 7 days in space.**

Valentina Tereshkova **spent three days in space.**

Denis Tito **spent a week in space.**

#### b. How much did Denis Tito pay for his space trip?

He **paid 20 million dollars.**

#### c. How much time did it take Yuri Gagarin to fly around the earth?

It **took him two hours.**

### 4. Write about your holiday last summer. Use *went (or flew), took, spent*

**Possible solution: I flew to Greece last summer. It took two hours. I spent 10 days in Greece.**
