SOLUTIONS

1. Match A to B.

2. Listen and fill in the gaps.

When you go on holiday, you need to know what to pack. It's a good idea to check the weather forecast. Weather **forecast** tells you when and where it will rain **heavily**, when and where there will be showers and sunny **spells**, and when and where it will be cloudy or sunny. You also learn about expected **temperatures**.

3. Write.

Example:

13°C thirteen degrees Celsius

21°C **twenty-one degrees Celsius**

44°F **forty-four degrees Fahrenheit**

4. Label the pictures. Choose from: *sleet, partly cloudy with showers and sunny spells, thunderstorm, heavy rain.*

a. **thunderstorm**

b. **partly cloudy with showers and sunny spells**

c. **sleet**

d. **heavy rain**
