## 1. Listen and fill in the missing words.

What is asthma?

It's a lung \_\_\_\_\_. When you get asthma, the airways in your lungs get \_\_\_\_\_ and get thinner. You can't \_\_\_\_\_ well, you cough a lot, and you wheeze. Some children get asthma because they are \_\_\_\_\_ to animal hair, or something in the air. Other things that can start asthma are stress, \_\_\_\_\_, dirty air, cold air, \_\_\_\_\_ or Covid.

## 2. Listen and correct the words in **bold**.

- a. Do you have difficulties **seeing**? \_\_\_\_\_
- b. Do you have a **headache** that lasts too long? \_\_\_\_\_
- c. Ventilate more at home, so there's more **cold** air. \_\_\_\_\_
- d. Don't eat **vegetables** that can start asthma. \_\_\_\_\_
- e. Don't let your **dog** into your bedroom. \_\_\_\_\_
- f. Don't get **dressed**. \_\_\_\_\_

## 3. Fill in the verbs in the correct form: *breathe, ventilate, get, make, be, stay*.

- a. These days, Covid \_\_\_\_\_ people's asthma worse, too.
- b. Most children \_\_\_\_\_ asthma when they \_\_\_\_\_ about four or five years old.
- c. Dust and parasites \_\_\_\_\_ in the air and we \_\_\_\_\_ them in.
- d. Do not forget to \_\_\_\_\_ your room.

## 4. Unscramble the words.

- a. T U E S P A N \_\_\_\_\_
- b. D O A S O F E \_\_\_\_\_
- c. T E V A L N I T E \_\_\_\_\_
- d. H I L E A R N \_\_\_\_\_

## SOLUTIONS

### 1. Listen and fill in the missing words.

What is asthma?

It's a lung **disease**. When you get asthma, the airways in your lungs get **inflamed** and get thinner. You can't **breathe** well, you cough a lot, and you wheeze. Some children get asthma because they are **allergic** to animal hair, or something in the air. Other things that can start asthma are stress, **smoke**, dirty air, cold air, **flu** or Covid.

### 2. Listen and correct the words in **bold**.

- |   |                  |
|---|------------------|
| a. Do you have difficulties <b>seeing</b> ?                 | <b>breathing</b> |
| b. Do you have a <b>headache</b> that lasts too long?       | <b>cough</b>     |
| c. Ventilate more at home, so there's more <b>cold</b> air. | <b>fresh</b>     |
| d. Don't eat <b>vegetables</b> that can start asthma.       | <b>food</b>      |
| e. Don't let your <b>dog</b> into your bedroom.             | <b>pet</b>       |
| f. Don't get <b>dressed</b> .                               | <b>stressed</b>  |

### 3. Fill in the verbs in the correct form: *breathe, ventilate, get, make, be, stay*.

- These days, Covid **makes** people's asthma worse, too.
- Most children **get** asthma when they **are** about four or five years old.
- Dust and parasites **stay** in the air and we **breathe** them in.
- Do not forget to **ventilate** your room.

### 4. Unscramble the words.

- |                   |                     |
|-------------------|---------------------|
| a. <b>PEANUTS</b> | c. <b>VENTILATE</b> |
| b. <b>SEAFOOD</b> | d. <b>INHALER</b>   |
