

# Autumn Fruits pp 4, 5

Jump, September, October 2020

download free at [www.gradus.cz](http://www.gradus.cz)

1. Fill in the missing prepositions: *for (2x), of (2x), from, in, after, before*.  
Then listen and check.

Autumn is the season \_\_\_\_\_ summer and \_\_\_\_\_ winter. Fruits and vegetables are ripe and ready \_\_\_\_\_ harvest. Why are they good \_\_\_\_\_ you?

Apple trees come \_\_\_\_\_ Central Asia. There are thousands \_\_\_\_\_ different types of apples.

They're yummy and full \_\_\_\_\_ vitamins. They're also rich \_\_\_\_\_ fibre. They give you more energy than coffee!

2. Make sentences and say which fruit or vegetable they are about.

a. are – good – for – they – immune – your – system

---

b. there – a lot of – are – carbohydrates

---

c. can – from – you – make – coleslaw – it

---

d. give – more – than – they – energy – you – coffee

---

3. Odd one out. Say why, for example: *it's not ... or they're all ...*

a. apple – pear – peanut – banana

b. cabbage – tomato – carrot – potato

c. potatoes – crisps – chips – pumpkin

d. bread – potato – cabbage – pasta

e. autumn – French fries – potato chips – fall

4. British and American English. Match.

**British**

**American**

autumn

French fries

chips

fall

crisps

potato chips
