

# Listen & fill in the gaps

Listen to the audio track for "Growing veggiest from leftovers"

Vegetables such as ....., parsley,  
....., celery and .....  
are pretty..... to grow.

But ..... experiment with  
other ....., too.

Just cut ..... the plant's base and ..... it  
in a bit of .....

Place the vegetables ..... a .....  
window and ..... sure that .....  
always ..... one centimeter of water.
