1. Fill in the prepositions *of* (2x), *about*, *with*, *in*, *on* (2x). Then listen and check.

On pages 6 – 7, you can read \_\_\_\_\_ our five senses. One \_\_\_\_\_ them is touch. We feel touch \_\_\_\_\_ the largest organ \_\_\_\_\_ our body, the skin. There are areas \_\_\_\_\_ the skin which are more and less sensitive. \_\_\_\_\_ this experiment, you can check how sensitive your skin is. You only need a partner and a paper clip. Are you ready to concentrate \_\_\_\_\_ your feelings?

2. Complete the table.

adjective	comparative (bigger than ...)	superlative (the biggest ...)
large		
sensitive		

3. Complete the sentences with the words from the table ↑.

- Skin is \_\_\_\_\_ of all our organs.
- The heart is \_\_\_\_\_ than a finger.
- The forehead is \_\_\_\_\_ than the elbow.
- The forehead is \_\_\_\_\_ than the back.
- Fingertips are \_\_\_\_\_.

## SOLUTIONS

1. Fill in the prepositions *of* (2x), *about*, *with*, *in*, *on* (2x). Then listen and check.

On pages 6 – 7, you can read **about** our five senses. One **of** them is touch. We feel touch **with** the largest organ **of** our body, the skin. There are areas **on** the skin which are more and less sensitive. **In** this experiment, you can check how sensitive your skin is. You only need a partner and a paper clip. Are you ready to concentrate **on** your feelings?

2. Complete the table.

adjective	comparative (bigger than ...)	superlative (the biggest... <del>of all</del> )
large	larger	the largest
sensitive	more sensitive	the most sensitive

3. Complete the sentences with the words from the table ↑.

- Skin is **the largest** of all our organs.
- The heart is **larger** than a finger.
- The forehead is **more sensitive** than the elbow.
- The forehead is **more sensitive** than the back.
- Fingertips are **the most sensitive**.
